

ERIE COUNTY WATER AUTHORITY

INTEROFFICE MEMORANDUM

April 24, 2018

To: Joseph T. Burns, Secretary to the Authority

From: Russell J. Stoll, Executive Engineer *RJ Stoll*

Subject: Watermain Replacement
Evergreen Place and Woodbine Place
Town of Cheektowaga
ECWA Project No. 201700073

The Authority and the Town of Cheektowaga entered into a Municipal Agreement for the watermain replacement on Evergreen Place and Woodbine Place as part of the reconstruction of the above referenced streets on September 7, 2017. This Agreement is necessary to coordinate and facilitate the work. This Agreement allows for cost containment and efficiency by having the Authority provide the pipe, valves, hydrants, and other necessary materials for the project and the Town providing the installation of watermain and appurtenances, including select fill, associated trucking, and restoration. The project, however, was re-bid by the Town of Cheektowaga and a new Agreement, superseding all the previous agreements and reflecting the 2018 cost of the project, needs to be executed. The Agreement has already been reviewed by your office.

Attached is the Agreement signed by the Town of Cheektowaga. At this time, we are asking that the Agreement be processed appropriately and executed by the Chairman. An executed copy must be returned to the Town.

Please feel free to contact me if you have any questions.
