To Whom It May Concern,

I am making an official request for a copy of all leak history reports sent to the town of Amherst over the past 30 years. In addition, I would also like a copy of all letters, emails or other correspondence pertaining to leak histories and repair recommendations sent to the town of Amherst for that same period of time. This would include the years 1988 to the present.

Thank you for handling my request.

Glenda Taramasco
