: DONALD C. PUCCIO:

I AM A RESIDENT OF THE TOWN OF LANCASTER FOR 30 YRS. THIS PAST MONTH SEPT 9 WE HAD A BAD FIRE ON PLEASANT ^{VIEW} DR # 125 HOUSE #

AT THE POINT OF FIRE CALL NO WATER SUPPLY WAS AVAILABLE AT WATER HYDRANT IN FRONT OF HOUSE. ALSO STULSMAN DR + WARREN ROAD. THE FIREMAN HAD TO LAY HOSE ALL THE WAY TO TRANSIT RD TO HAVE WATER TO PUT OUT FIRE. AT THAT TIME FIRE WAS ALMOST OUT OF CONTROL.

BY THE TIME THE FIRE WAS NEXT STRE HOUSE ALSO.

SO HOUSE IS A TOTAL LOSS AS I KNOW A PERSON WHO LIVED THEIR.

I HAD A THOUGHT AT THAT POINT WE ON LUCIA CT + ALSO ON GREEN MEADOW HYDRANTS HAVE NOT BE CHECKED OUT LATELY. ON GREEN MEADOW AT # COURT ENTRANCE + IN FRONT OF # 9 LUCIA. I CALLED WATER AUTHORITY TO HAVE CREW COME OUT AND BLOW OUT RUST - SCALE ETC. IN LINES SO IF PROBLEM IN OUR STREET. THEIR WOULDN'T BE A PROBLEM GETTING WATER TO SAVE HOUSES. IN MY AREA. THEY SAID OK. I THEN GOT OFF CALL FROM OFFICE. I NEED TO WRITE A

LETTER TO HAVE HYDRANTS KEEP UP.

BUT HERES THE PROBLEM IN HEAR TIME
THEIR COULD HAVE BEEN A FIRE AT EITHER
ONE OF OUR HOMES BETWEEN THEN & NOW WITH
MAYBE SAME PROBLEM.

IF WE THE RESIDENT THINK THEIR MAY
BE A PROBLEM. DON'T TELL US WE WILL PUT IT
ON LIST TO BE DONE WRONG.

WE PAY OUR UTILITY TO THE WATER
CO. & EXPECT TO TAKE CARE OF IT QUICKLY.
NOT WAIT.

I CONTACTED MONICA WOLFE
ASSEMBLY WOMAN. SHE WILL ADDRESS IT
RIGHT AWAY AS SHE LIVES A COUPLE STREETS
AWAY ALSO.

THANK YOU,

DOUGLAS C. Puccio
