Dear Mr. Terrence D. McCracken,

Under the New York Freedom of Information Law, (N.Y. Pub. Off. Law sec. 84 et seq.), I am requesting to obtain a copy of public records that pertain to . . .

Small Services Area #1, Project No. 201700001

&

Small Services Area #2, Project No. 201700002

Please provide a copy of the **itemized bid results** for these projects. To clarify, I am requesting to obtain the **unit, quantity and the amount of each bid item** for these bids.

If there are any fees for searching or copying these records, please inform me of the cost.

The New York Freedom of Information Law requires a response time of five business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies of the requested records.

If you deny any part of or this entire request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

A handwritten signature in black ink that reads "Rick Zydel". The signature is written in a cursive, flowing style.
