SECTION 2 TERM

2.1 The initial term("Initial Term") of this Lease shall be ten (10) years from the date hereof. SECTION 3 RENT, TAXES

3.1 Tenant covenants and agrees to pay to Landlord annual rental for the Premises in the sum of Twenty Four Thousand Dollars (\$24,000.00) payable in equal monthly installments in advance in the amount of Two Thousand Dollars (~~\$2,000.00~~) on the first (1st) day of each month during the term of this Lease. Tenant will be responsible for payment of any personal and/or real property taxes assessed directly upon the installation and use of Tenant's installations on the Premises. Tenant will pay to Landlord, as additional rent, any increase in personal and/or real property taxes levied against the Property which are directly attributable to Tenant's use of the Premises, upon delivery of reasonable proof of such increase to Tenant by Landlord. Tenant and/or Landlord shall have the right to challenge any taxes levied on the Property or the Premises due to Tenant's installations and the parties shall fully cooperate with each other in such challenge.

Landlord will not grant, after the date of this Lease, a lease license or any other right to any third party for the use of the Property, if such use may in any way adversely affect or interfere with Tenant's Communication Facility. Landlord will notify Tenant and receive Tenant's written approval prior to granting any third party the right to install and operate communications equipment on the Property. Nothing contained herein will restrict Tenant nor its successors and assigns from installing and modifying its/their communications equipment.

4.4 Tenant shall comply with all reasonable requests of the Landlord to allow the Tenant and any Subsequent Tenants to utilize the Landlord's Property and to ensure that Tenant and Subsequent Tenant(s) will not interfere, hinder or otherwise prohibit the ability of the Tenant and Subsequent Tenant(s) to operate their installations on the Property.

4.6 Landlord will not use, nor will Landlord permit its employees, tenants, licensees, invitees or agents to use, any portion of the Property or any of the Landlord's other properties in any way which interferes with the operations of Tenant or the rights of Tenant under this Lease. Landlord will cause such interference to cease upon not more than twenty-four (24) hours notice from Tenant. In the event any such interference does not cease within the aforementioned cure period, then the parties acknowledge that Tenant will suffer irreparable injury, and therefore, Tenant will have the right, in addition to any other rights that it may have at law or in equity, for Landlord's breach of this Lease, to elect to enjoin such interference or to terminate the Lease upon notice to Landlord.

4.7 In the event of a signal interruption or interference between The Landlord, Tenant and Subsequent Tenant(s), the Subsequent Tenant(s) will attempt to resolve the signal interruption or interference. If the Landlord, Tenant and Subsequent Tenant(s) are unable to resolve the signal interruption or interference, the Subsequent Tenant will retain a disinterested communication consultant, at its own expense, who is mutually agreeable to the Landlord, Tenant and Subsequent Tenant(s) to assess the position of the Landlord, Tenant and Subsequent Tenant(s) as to the signal interruption or interference. The Subsequent Tenant(s) agrees to be bound by and to subsequently comply with the decision of the agreed upon communication consultant.

SECTION 5 SUBLEASE

5.1 Tenant shall not sublease space or assign its rights under the Lease for the premises without the prior written consent of the Landlord.

5.2 Anything in Section 5.1 of the Lease to the contrary notwithstanding, it is agreed that Tenant shall have the right, without Landlord's consent, to assign its rights under the Lease to entities with a partnership interest in Tenant, to subsidiaries or affiliates of entities with a partnership interest in Tenant, to an entity which succeeds to all or substantially all of the assets or business of Tenant, or to the successor(s) to Tenant's certificates and licenses issued by the Federal Communications Commission and the New York State Public Service Commission. In the event of assignment, the Tenant shall remain liable for compliance with the terms of the Lease and shall provide an unconditional guarantee by separate document executed to the Authority at the time of the assignment.

SECTION 6 INSURANCE

6.1 Tenant shall carry, at its own expense, comprehensive general liability insurance in an amount no less than \$5,000,000 combined single limit covering personal injury and property damage for the benefit of both Landlord and Tenant. Tenant shall name Landlord as an additional insured on such policies. (See Exhibit "D" for insurance forms and information required by Landlord.)

6.2 Tenant shall maintain at its expense policies insuring against loss or damage to Tenant's installations by reason of fire or other casualty.

6.3 All insurance required of Tenant by this Lease may be provided under Tenant's blanket policies from time to time in effect.

6.4 Tenant shall provide Landlord on the first day of each anniversary year of the Lease the certificate of insurance identified in subdivision 6.1 of this lease. Such policy will require the insurance company to give landlord at least thirty (30) days written notice before canceling the coverage for any reason.

SECTION 7 REPAIRS, ALTERATIONS AND TITLE TO IMPROVEMENTS

7.1 Tenant may make any alterations, additions, deletions, removals and/or improvements to Tenant's installations necessary to conduct its business thereon subject to the prior written approval of the Landlord of all such alterations, additions and improvements. Tenant shall take good care of the Premises and shall

make all necessary repairs to Tenant's installations. Approval of the Landlord is not to be unreasonably withheld or delayed.

7.2 Tenant's Installations will remain, at all times, Tenant's property, whether or not Tenant's Installation would be deemed fixtures under local law, and upon termination of this Lease Tenant shall remove same pursuant to Section 16. Tenant shall maintain its installations in first class condition.

7.3 Tenant may, upon notice to Landlord, mortgage or grant a security interest in this Lease and the Antenna Facilities, and may assign this Lease and the Antenna Facilities to any Mortgagees or holders of security interests, including their successors or assigns (collectively "Mortgagees") provided such Mortgagees agree to be bound by the terms and provisions of this Lease. In such event, Landlord shall execute such consent to leasehold financing as may reasonably be required by mortgagees. Landlord agrees to notify Tenant and Tenant's Mortgagees simultaneously of any default by Tenant and to give Mortgagees the same right to cure any default as Tenant or to remove any property of Tenant or Mortgagees located on the premises, except that the cure period for any Mortgagees shall not be less than thirty (30) days after receipt of the default notice, as provided in Section 11 of this Lease. All such notices to Mortgagees shall be sent to Mortgagees at the address specified by Tenant. Failure by Landlord to give Mortgagees such notice shall not diminish Landlord's rights against Tenant, but shall preserve all rights of Mortgagees to cure any default and to remove any property of Tenant or Mortgagees located on the Premises as provided in Section 17 of this Lease.

SECTION 8 MECHANIC'S LIENS

8.1 Tenant shall indemnify and save Landlord harmless from and against all loss, liability, costs, attorneys' fees, damages or interest charges as a result of any mechanic's lien or any other lien filed against the Premises as a result of any act or omission or as a result of any repairs, improvements, alterations or additions made by Tenant, its agents or employees.

SECTION 9 INDEMNIFICATION

9.1 Tenant and Landlord shall each indemnify and hold the other harmless from and against any and all claims for damages to persons and property arising out of or resulting from the negligence of the other party, its agents, invites, and employees.

SECTION 10
COMPLIANCE WITH LAWS

10.1 Tenant shall comply with all valid requirements of any duly constituted public authority, or with the requirements of any Federal, State, County or local law or ordinance applicable to the use and occupancy of the Premises and any repairs or work performed on the Premises by Tenant, and Tenant agrees to indemnify the Landlord and save Landlord harmless from and against any penalty, damage or charge imposed for any violation by Tenant and its successors, assigns, agents and employees.

10.2 Landlord may join in or consent to any and all reasonable applications and petitions to any governmental or other public agency that Tenant may, from time to time, make in connection with the Premises, provided only that Tenant shall pay all costs incurred in connection therewith.

SECTION 11
DEFAULT

11.1 If any one or more of the following events (herein sometimes called "Events of Default") shall happen:

- (a) If default shall be made in the payment of any rent payable under this Lease and such default shall continue for a period of twenty (20) days after written notice from Landlord to Tenant specifying the items in default; or
- (b) If default shall be made by Tenant in the performance or compliance with any of the agreements, terms, covenants or conditions in this Lease other than those referred to in Section 11.1(a) for a period of thirty (30) days after written notice from Landlord to Tenant specifying the items in default, or if, in the case of a default of a covenant which cannot with due diligence be cured within said thirty (30) day period, Tenant fails to commence within said thirty (30) day period to cure such default and to diligently and complete such cure within a reasonable period of time; or
- (c) If Tenant shall file a voluntary petition in bankruptcy or shall be adjudicated bankrupt or insolvent.

Then and in any such event, Landlord at any time thereafter may give written notice to Tenant specifying such event of default or events of default and stating that this Lease shall expire and terminate ten (10) days after the giving of such notice. Upon the date specified in such notice this Lease shall expire and terminate; provided, however, Tenant shall remain liable for all sums due hereunder to Landlord until the

Premises are relet to any third party at the same term with rent and taxes pursuant to Sections 2 and 3 at which time Tenant's liability hereunder shall cease; provided that Tenant shall remain liable for all sums due and accruing prior to the date of such reletting and shall also remain liable for any difference in rent and taxes over the terms pursuant to Sections 2 and 3 of this Lease.

SECTION 12 UTILITIES

12.1 Tenant will promptly pay all charges for electricity or any other utilities used by Tenant on the Premises. Tenant may have meters or submeters installed at the Premises for Tenant's utility use, and the cost of such meters and their repair will be paid for by Tenant. Tenant may install or improve existing utility service(s) to its installation and may install an electrical grounding system.

SECTION 13 CONDEMNATION/CASUALTY

13.1 If any governmental, public body or other condemning authority takes, or if Landlord transfers in lieu of such taking, all or part of the Property or if the Property is damaged by any casualty, thereby making it physically or financially unfeasible for the Premises to be used in the manner intended by the Lease, either party shall have the right to terminate this lease effective as of the date of the taking by the condemning party or such casualty loss and the rental shall be prorated appropriately. If only a portion of the Property is taken, then the Lease shall continue but rental payments provided under this Lease shall abate proportionately to the portion of the Premises taken and Landlord shall make all necessary repairs and alterations to restore the portion of the Property and Premises remaining to as near their former condition as circumstances will permit (at a cost not to exceed Landlord's proceeds from said condemnation, transfer or casualty loss).

SECTION 14 SUBORDINATION

14.1 Tenant agrees that this Lease shall be subject and subordinate to any mortgages now or hereafter placed upon the Property and to all modifications thereto, provided that Tenant's possession of and access to the Premises shall not be disturbed so long as Tenant continues to perform its duties and obligations under this Lease, and Tenant's obligation to perform such duties and obligations shall not be in any way increased or its rights diminished by the provisions of this paragraph. Under any and all, circumstances, Tenant's possession of the Premises shall not be disturbed so long as Tenant shall continue to perform its duties and obligations under this Lease. Landlord agrees to cooperate in securing written non-disturbance agreements from all existing or future mortgagees as requested by Tenant.

SECTION 15
NON-ADVERTISING

15.1 Tenant agrees it will not advertise in any manner on the Premises and Landlord agrees it will not enter into any leasing agreements for the Premises which provide any subsequent tenants with a right to advertise on the Premises.

SECTION 16
TERMINATION

16.1 In the event of termination of this Lease for any reason, Tenant shall remove Tenant's Installations within ninety (90) days of the date of termination.

16.2 Upon removal of its equipment, Tenant shall place the Premises in the condition it was prior to the effective date of this Lease, ordinary wear and tear excepted.

SECTION 17
SURRENDER OF PREMISES

17.1 Tenant shall on the last day of the Term or Renewal Term hereof, or upon any earlier termination of this Lease, or upon re-entry by Landlord upon the Premises, surrender and deliver up the Premises into the possession and use of Landlord free and clear of all liens and encumbrances other than those, if any, created by Landlord.

SECTION 18
INVALIDITY OF PARTICULAR PROVISIONS

18.1 If any term of this Lease shall, to any extent, be invalid or unenforceable, the remainder of this Lease shall remain valid and enforceable to the fullest extent permitted by law.

SECTION 19
NOTICES

19.1 All notices, demands and requests required under this Lease shall be in writing. All such notices, demands and requests shall be deemed to have been properly given if sent by certified mail, return receipt requested, or a nationally recognized overnight courier service (post office box not acceptable) as follows:

or to such other persons and addresses as Landlord and Tenant may from time to time designate by written notice addressed to one another. The effective date of such notice shall be the postmark date or the date delivered to the courier service, as the case may be.

SECTION 20 QUIET ENJOYMENT

20.1 Tenant, upon paying the rent herein provided and observing and keeping all covenants and conditions of this Lease on its part to be kept, shall quietly have and enjoy the Premises during the Term of this Lease (and any Renewal Terms) without hindrance or molestation by anyone claiming by or through Landlord.

SECTION 21 PAINTING PROVISION

21.1 In the event the Colvin Water Tank is scheduled to be repainted during the term(s) of this Lease, the Landlord agrees to give Tenant at least Two (2) months notice of its intention to paint the Water Tank. Also, the Landlord who is responsible for entering into a contract to have such work performed will obtain two (2) alternative bids from each contractor for the cost of the painting work to

be performed, one (1) bid will be for painting the Water Tank with Tenant's equipment in place, and, one (1) bid will be for painting the Water Tank with Tenant's equipment temporarily removed. Tenant shall, thereupon, be presented with copies of both bids from the successful bidder and the indicated difference in price. Tenant shall then have the option to and shall have fourteen (14) days in which to advise Landlord, in writing, of its election to either 1) temporarily remove its equipment from the Water Tank while painting is being done (leaving its equipment shelter in place and setting up temporary facilities on Landlord's property as hereinafter provided); or 2) pay Landlord a dollar amount equivalent to the difference between the bid price for painting with the equipment on the Water Tank and the bid price with the equipment removed as represented by the bids received from the contractor to whom the contract is actually awarded for painting.

If Tenant elects to temporarily remove and/or relocate its equipment during the course of painting, it shall have same removed from the Water Tank at least ten (10) days prior to the start date specified in the painting contract or sixty (60) days after making its election, whichever is later. In the event that Tenant shall fail to remove and/or relocate its equipment in a timely fashion, then Tenant shall become responsible for any additional painting cost incurred as a result thereof.

If Tenant chooses to keep its equipment in operation upon the Water Tank during painting, Tenant agrees, nevertheless, to power down specific antennae as the painting contractors' schedule may require from time to time, to bring RF exposures within OSHA limits upon any portion of the Water Tank upon which, or in the vicinity of which, personnel may be working. Tenant acknowledges that painting operations may require draping tarps over the Water Tank to a circumference somewhat greater than the drip line of the Water Tank. Landlord, or the entity responsible for contracting for painting and the painting contractor, shall endeavor, at all times to minimize the down time for Tenant's equipment by appropriate scheduling and shall generally, attempt to minimize the total overall time frame necessary to complete all work entailed in painting the Water Tank.

Included in the alternate bid to paint the Water Tank with Tenant's equipment in place, shall be a requirement for the painting contractor to mask, shield or otherwise protect Tenant's equipment on the Water Tank and on the Property from sand blast, primer or paint overspray, or other damage during the course of the work.

Once the painting work under the contract has been fully accepted, approved for payment, and paid by the Erie County Water Authority, the said Erie County Water Authority shall invoice Tenant for its agreed portion of the painting costs, with proof of such payment, and Tenant shall pay such invoice within thirty (30) days. Failure to do so within thirty (30) days shall constitute a default under the terms of this Lease.

In the event that Tenant chooses to temporarily remove its equipment to facilitate painting, or in the event that it shall become necessary for Landlord or its sub-tenants, lessees or assignees to

perform any other maintenance or repair work upon the Water Tank or its appurtenances which might interfere with the continuous operations of Tenant as herein provided for, then Tenant shall have the right to place temporary cellular transmission/reception facilities on Landlord's property and shall have temporary easements granted to Tenant by Landlord for such purposes to insure its ability to continue its operations without any interruption whatsoever throughout the course of work required for such maintenance or repairs. Landlord shall give Tenant at least sixty (60) days written notice of its intention to do any work on the Water Tank which might interfere with Tenant's operation, and shall cooperate with Tenant to enable Tenant to protect Tenant's equipment on the Water Tank and the Property.

SECTION 22 MISCELLANEOUS PROVISIONS

22.1 Landlord represents, warrants and agrees that (i) the Property and its uses and operations complies, and will comply, with all local, state and federal statutes or regulations, or ordinances pertaining to the environment or natural resources ("Environmental Laws"); (ii) the Property has not been used or allowed to be used by Landlord or to the best of Landlord's knowledge by any previous owner to emit through ground, water or air, refine, manufacture, generate, produce, store, contain, handle, transfer, process, treat, transport, or dispose of hazardous substances or hazardous waste products or pollutants, including without limitation asbestos, oil, petroleum products and their by-products, (collectively called "Hazardous Substance") as defined and regulated under any Environmental Laws; (iii) the Property has never been the subject of any federal or state Hazardous Substance related list; (iv) the Property has never required closure or clean-up of Hazardous Substance; and (v) no asbestos, Polychlorinated Biphenyls or other Hazardous Substance or underground or above ground storage tanks exist or have existed or will exist on the Property. Landlord warrants and represents that it will be solely liable for the clean-up and removal of any and all Hazardous Substances and any related activities, including, but not limited to the restoration of the Property related to Hazardous Substance now and in the future existing on the Property except to the extent generated by Tenant. Landlord will defend, indemnify and hold Tenant harmless from and against any and all direct liabilities, damages, losses, costs, assessments, penalties, fines, expenses and fees, including reasonable legal fees, consultant fees and expert witness fees, related to Landlord's breach of any of the above representations and warranties.

Tenant represents, warrants and agrees to conduct its activities on the Premises in compliance with all applicable Environmental Laws. Tenant will not use, generate, release, manufacture, refine, produce, store, or dispose of any Hazardous Substances on, under or about the Premises except for the use of sealed batteries for emergency back-up, any fire suppression system and small quantities of cleaning products ordinarily used by commercial businesses. Tenant agrees to defend, indemnify and hold Landlord harmless from and against any and all direct liabilities, damages, losses, costs, assessments, penalties, fines, expenses and fees, including reasonable legal fees, that

Landlord may suffer due to the existence or discovery of Hazardous Substances on the Property, or released into the environment that are directly caused by Tenant's use of Premises.

The indemnifications of this Paragraph specifically include reasonable costs, expenses and fees incurred in connection with any investigation of property conditions or any clean-up, remedial, removal or restoration work required by any governmental authority. 22.3 This Lease shall be construed and enforced in accordance with the laws of the State of New York.

This Lease cannot be changed orally, but only by an agreement in writing and signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.

22.5 The covenants and agreements herein contained shall bind and inure to the benefit of Landlord and Tenant, their respective successors and assigns, except as otherwise provided herein.

22.6 Tenant agrees at any time and from time to time, upon not less than twenty (20) days prior notice by Landlord, to execute, acknowledge and deliver to Landlord a statement in writing certifying that this Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), and the commencement date.

22.7 Landlord agrees at any time and from time to time, upon not less than twenty (20) days prior notice by Tenant, to execute, acknowledge and deliver to Tenant a statement in writing certifying that this Lease is unmodified and in full force and effect (or if there shall have been modifications, that the same is in full force and effect as modified and stating the modifications), and the commencement date.

22.8 The prevailing party in any litigation arising hereunder shall be entitled to its reasonable attorneys fees and court costs, including appeals, if any.

22.9 The parties further agree that in the event that any provision of this agreement, or the application of such provision to any party, person, entity, or set of circumstances, shall be determined to be invalid, unlawful or unenforceable to any extent, the remainder of this agreement, and the application of such provision to the parties, persons, entities or circumstances other than those as to which it is determined to be invalid, unlawful or unenforceable, shall not be affected and shall continue to be enforceable to the fullest extent permitted by law.

Bob,

I have reviewed the proposed AT&T Wireless modifications at Colvin Tank (scanned and attached for reference). From an operations and technical standpoint, I have no comments on their proposed changes.

Jackie,

Per our discussion, I will mail the hard copies to you for your review (inter-office mail).
