The checks or bonds will be returned to the three lowest bidders within five (5) banking days after the execution of the contract and the furnishing of the required security by the successful bidder.

If such unbalanced bids are accepted, the unit price or lump sum bids cannot be changed or amended and shall prevail for any amount provided pursuant to the contract. The OWNER further reserves the right to waive any and all informalities in the bidding of this work, if it is deemed to be in the best interest of the OWNER. The Bidder will not be allowed to take advantage of any error or omissions.

6. **INTERPRETATIONS**

If any person contemplating submitting bids is in doubt as to the true meaning of any part of these proposed Contract Documents, he may submit to the Engineer a written request for an interpretation thereof.

Every request for such interpretation must be received at least five (5) days prior to the date fixed for the opening of bids. Any and all such interpretations and any supplemental instructions will be in the form of written addenda to the Specifications, which, if issued, will be mailed either by Registered or Certified mail, with return receipt requested, to all prospective bidders (at the respective address furnished in the application for Invitation to Bid) not later than three (3) days prior to the date fixed for the opening of bids. Failure of any bidder to receive such addendum or interpretation shall not relieve any bidder from any obligation under his bid submitted. All addenda so issued shall become part of the Contract Documents. All addenda must be submitted with the bid proposal and be properly signed by the Bidder as part of the Bid Documents. The OWNER will not be responsible for any other explanations or interpretations of such documents which anyone presumes to make on behalf of the OWNER before expiration of the time set for the receipt of bids.

7. **COMPETENCY OF BIDDERS**
Proposals will not be considered from bidders on supplies, material or equipment, if the bidder or manufacturer of same is in bankruptcy, or in receivers’ hands at the time of tendering a proposal or at the time of entering into a contract, but the Erie County Water Authority reserves the right to accept or reject such proposals in the best interest of the Authority.

Each bidder shall be experienced in the kind of work to be performed and shall have the necessary equipment and sufficient capital to execute properly the work within the time allowed, and to prosecute and complete the work at the rate of time specified. Bids may be rejected if the bidder is already obligated for the performance of other work which would delay the commencement, prosecution or completion of the work. Each bidder shall include with his bid the form entitled “INFORMATION REQUIRED FROM CONTRACTORS AT THE TIME OF CANVAS OF BIDS” in the proposal. Low bidders may be asked to furnish additional data to demonstrate competency.

8. **WITHDRAWAL OF PROPOSALS**

If a bidder wishes to withdraw his proposal, he may do so before the time fixed for the opening of bids by written communication of his purpose to the OWNER. Upon receipt of such notice prior to the time set for opening of bids the proposal will be returned to him unopened.

12. **BONDS AND INSURANCE**

The successful bidder, before being awarded the contract, shall furnish the Certificate of Insurance as set forth in Appendix B. The successful bidder shall also provide any bonds required by Appendix C.

13. **AWARD OF CONTRACT**

All contracts, or change orders, for work, materials or supplies performed or furnished in connection with construction shall be awarded by the Authority pursuant to resolution.

If the Authority shall not deem it for the interest of the Authority to reject all bids, it shall award the contract to the lowest bidder, unless the Authority shall determine that it is in the best interest of the public to award a bid even though the proposal chosen may result in the awarding of a contract to a bidder whose bid is not mathematically low.

14. **EXECUTION OF THE CONTRACT**

The party to whom the contract is awarded or his authorized representative will be required to execute the contract within five (5) banking days from the date of the award, and, in case of his failure or neglect to do so, the OWNER may, at its option, determine that the bidder has abandoned the contract, and thereupon the proposal and acceptance shall be null and void, and the security accompanying the proposal shall be forfeited to the OWNER. At its option, the OWNER may also elect to accept the bid security and sue for damages for breach of contract, delay, etc.

15. **EXEMPTION FROM SALES AND/OR USE TAXES**

The CONTRACTOR is advised that the OWNER, a public benefit corporation created by the State of New York, is exempt from payment of all State and Local sales and compensating use taxes of the State of New York and cities and counties on the purchase of all materials and supplies incorporated in and becoming an integral component part of the work, structures, buildings or real property, pursuant to the provisions of this contract. Such taxes are not to be included in the contract price, bid or costs to be reimbursed, as the case may be. This exemption does not, however, apply to tools, machinery, equipment or other property purchased by or leased to the SUPPLIER or a subcontractor or to supplies, machinery, equipment and materials which, even though they are consumed in the performance of the contract, are not incorporated into the completed permanent work. The SUPPLIER and his subcontractors shall be responsible for and pay any and all applicable taxes, including sales and compensating use taxes, on such tools, machinery, equipment or other property and upon all such unincorporated supplies and materials.

The OWNER will supply the necessary exemption certificates to the SUPPLIER.
SUPPLIER and his subcontractors and materialmen shall be solely responsible for obtaining or delivering any and all exemption or other certificates and for furnishing a CONTRACTOR Exempt Purchase Certificate or other appropriate certificates to all persons, firms or corporations from whom they purchase supplies, materials and equipment for the performance of the work covered by this contract.

Offerer’s Disclosure of Prior Non-Responsibility Determinations

Background:

The Erie County Water Authority (the “Authority”) is a government entity, as that term is defined in State Finance Law §§ 139-j(1)(a) and 139-k(1)(a). New York State Finance Law §139−k(2) obligates the Authority to obtain specific information regarding prior non-responsibility determinations with respect to State Finance Law §139−j. In accordance with State Finance Law §139−k, an Offerer must be asked to disclose whether there has been a finding of non-responsibility made within the previous four (4) years by any Governmental Entity due to: (a) a violation of State Finance Law §139−j; or (b) the intentional provision of false or incomplete information to a Government Entity.

The terms “Offerer” and “Governmental Entity” are defined in State Finance Law §§139−j(1) and §139−j(1). These sections also set forth detailed requirements about the restrictions on contacts during the procurement process. A violation of State Finance Law §139−j includes, but is not limited to, an impermissible contact during the restricted period (for example, contacting a person or entity other than the designated contact person, when such contact does not fall within one of the exemptions).

As part of its responsibility determination, State Finance Law §139−k(3) mandates consideration of whether an Offerer fails to timely disclose accurate or complete information regarding the above non-responsibility determination. In accordance with law, no Procurement Contract shall be awarded to any Offerer that fails to timely disclose accurate or complete information under this section, unless a finding is made that the award of the Procurement Contract to the Offerer is necessary to protect public property or public health safety, and the Offerer is the only source capable of supplying the required Article of Procurement, as that term is defined in State Finance Law §§ 139-j(1)(b) and 139-k(1)(b), within the necessary timeframe. See State Finance Law §139−j(10)(b) and §139−k(3).

Instructions:

The Authority must include a disclosure request regarding prior non-responsibility determinations in accordance with State Finance Law §139−k in its solicitation of proposals or bid documents or specifications or contract documents, as applicable, for procurement contracts. The attached form is to be completed and submitted by the individual or entity seeking to enter into a Procurement Contract. It shall be submitted to the Authority no later than when the Offerer submits its proposal.

CONTRACT TERMINATION PROVISION

Instructions:

A Contract Termination Provision will be included in each procurement contract governed by State Finance Law §139–k. New York State Finance Law §139-k(5) provides that every procurement contract award subject to the provisions of State Finance Law §§139–k and 139–j shall contain a provision authorizing the governmental entity to terminate the contract in the event that the certification is found to be intentionally false or intentionally incomplete. This statutory contract language authorizes, but does not mandate, termination. “Government entity” and “procurement contract” are defined in State Finance Law §§139–j(1) and 139-k(l).

This required clause will be included in a covered procurement contract.

A sample of the Termination Provision is included below. If a contract is terminated in accordance with State Finance Law §139–k(5), the Erie County Water Authority (the “Authority”), as a governmental entity, is required to include a statement in the procurement record describing the basis for any action taken under the termination provision.

**Sample Contract Termination Provision**

```
The Erie County Water Authority, as a governmental entity, reserves the right to terminate this contract in the event it is found that the certification filed by the Offerer in accordance with New York State Finance Law §139–k was intentionally false or intentionally incomplete. Upon such finding, the Authority may exercise its termination right by providing written notification to the Offerer in accordance with the written notification terms of this contract.
```

Every proposal or bid hereafter made and submitted to the Erie County Water Authority, where competitive bidding or a sealed proposal is required by statute, rule or regulation, for work or services performed or to be performed or goods sold or to be sold, shall contain the following statement subscribed by the Bidder and affirmed by such Bidder as true under penalty of perjury:

SEXUAL HARASSMENT BIDDING CERTIFICATION

Such policy shall, at a minimum, meet the requirements of Section two hundred one-g of the Labor Law.”

3. A bid/proposal shall not be considered for award nor shall any award be made to a Bidder who has not complied with subdivision one of this section; provided, however, that if in any case the Bidder cannot make the foregoing certification, the Bidder shall so state and shall furnish with the bid a signed statement which sets forth in detail the reasons therefore.

The undersigned CERTIFIES, under penalty of perjury, that he is authorized to make this bid/proposal and execute this statement on sexual harassment; that he is familiar with the statements contained in ¶2(a) of this document, as well as the provisions of State Finance Law §139-L and Labor Law §201-g, and such statements are true and have been complied with by the Bidder.
