Procedures for Filing a Claim with the Erie County Water Authority

General Information

If you desire to file a claim against the Erie County Water Authority, please consider the following information.

A “Notice of Claim” is a notice to the Erie County Water Authority of your claim against the Erie County Water Authority. The contents of a Notice of Claim are set forth in the New York General Municipal Law § 50-e (2). A Notice of Claim must include: (1) the name and post office address of each claimant, and of his/her attorney, if any; (2) the nature of the claim; (3) the time when, the place where and the manner in which the claim arose; and (4) the items of damage or injuries claimed to have been sustained so far as then practicable.

If you wish to file a claim against the Erie County Water Authority for property damage or personal injury, please follow this procedure:

1. Submit a claim to your own insurance company and provide insurance company claim number. (If damage is less than deductible, there is no need to submit to insurance.) Deductible page is still required with claim.

2. Your claim should include:

   A. Information indicating a filing of a claim with your own insurance company including the amount of claim, name of the insurance company, and adjuster, and the amount that the insurance company paid. Also, provide evidence as to the amount of your deductible by sending a copy of the declarations page of your policy.

   B. A written statement supporting the claim for which you are seeking recovery, including date, location, persons and property involved.

   C. Documentation of your claim:

      a. Ownership (aka Certificate of Title).

      b. If medical expenses are being claimed - copies of bills once submitted to health insurance or automobile insurance (under the medical portion of the policy) must be submitted explaining what insurance covered and the outstanding balance.

      c. If property damage is a vehicle- a copy of the declaration page (showing deductible amounts and coverage) from your insurance company. If liability insurance coverage (2) repair estimates must be submitted also.

      d. Evidence of any other amounts you are claiming (accompanying a receipt).

      e. Names of persons with whom you have communicated regarding this claim.

Once information on a claim is received, an investigation is started to determine if the Erie County Water Authority is liable. All of the above information is necessary to start the investigation. Please submit insurance information and your Notice of Claim immediately. A written statement for the total amount of the claim must be provided.

If the Erie County Water Authority is liable, the claim is paid by the Erie County Water Authority or by our insurance company. The Erie County Water Authority cannot write you a check immediately for your damages, as the Erie County Water Authority Board of Commissioners must approve claim payments.

If your claim has been allowed and an amount agreed upon, you will be sent a General Release to sign. You must return that release before your claim can be processed. It may take many weeks after approval of your claim before you receive a check from the Erie County Water Authority or our insurance company.

A Notice of Claim must include: (1) the name and post office address of each claimant, and of his/her attorney, if any; (2) the nature of the claim; (3) the time when, the place where and the manner in which the claim arose; and (4) the items of damage or injuries claimed to have been sustained so far as then practicable.

If you wish to file a claim against the Erie County Water Authority for property damage or personal injury, please follow this procedure:

B. A written statement supporting the claim for which you are seeking recovery, including date, location, persons and property involved.

C. Documentation of your claim:

EN-45 (4/14) CHANGE ENDORSEMENT
Policy Period: 9/11/2017 - 9/11/2020
Amended: 9/11/2018
ADDED WATER DAMAGES COVERAGE

Refer to Supplemental Declarations if information is not shown on this form.
For an additional premium, we provide the following coverage under this endorsement subject to the terms contained in the General Policy provisions.

The amount of Added Water Damages Coverage provided in this endorsement is in addition to any other Added Water Damages Coverage contained in your policy.

**Added Water Damages Coverage**
*We pay up to $2,500 per occurrence* for direct loss to property caused by the backup of water on the insured premises:
1. Through sewers and/or drains; and
2. Through sump basins caused by failure of sump pump operation.

**Exclusions - Added Water Damages Coverage**
These additional exclusions apply to this Added Water Damages Coverage:

*We Do Not Pay For:*
1. Loss or damage resulting from an insured’s negligence;
2. Loss or damage resulting from an insured’s neglect or failure to service or maintain the sump pump or any plumbing appliance; or
3. Generalized or localized flooding resulting from excess runoff or overflow of streams, rivers or other bodies of water.

All other terms and conditions remain unchanged.
If the Replacement Cost option is selected by the insured, then losses under Coverage A-Residence and Coverage B-Related Private Structures on the Premises will be settled according to the terms of the Replacement Cost Provision set forth in the Causes of Loss Section.

b. **Our Amount of Insurance**—For loss to property, we pay the lesser of the following amounts:
   1) the applicable amount of insurance;
   2) an amount not greater than your interest in the property;
   3) the cost of repairing or replacing the property with materials of equivalent kind and quality to the extent practicable;
   4) the amount computed after applying the deductible or other limitation applicable to the loss;
   5) the actual cash value of the property at the time of loss (except as provided under the Replacement Cost Provision, if applicable); or
   6) (applies to manufactured homes only at your option) the amount equal to the difference between the actual cash value of the property immediately before the loss and its actual cash value immediately after the loss.

c. **Deductible**:
   1) The deductible applies to the following Principal Property Coverages: Coverage A-Residence; Coverage B-Related Private Structures on the Premises; and Coverage C-Personal Property. It also applies to the following Incidental Property Coverages: Debris Removal; Trees, Plants, Shrubs and Lawns; Tenant's Improvements and Betterments; Condominium Unit-Owner Additions; and Antenna Coverage. The deductible applies to covered causes of loss, except as excluded or limited, unless otherwise stated in the Declarations or any endorsement.
   2) We pay only that part of the loss over the deductible stated in the Declarations or endorsement. Not more than one deductible applies per occurrence;
   3) If coverage is otherwise restricted by special amounts of insurance, our liability must be separately computed under both the deductible and the special amount of insurance. We pay the lesser of the two amounts.

d. **Loss to a Pair or Set**—If there is loss to an article which is part of a pair or set, we are only liable for a reasonable proportion of the value of the entire pair or set, and the loss is not considered a total loss of the pair or set.

2. Under **Personal Liability and Medical Payments to Others Coverages**—The limits of liability stated in the Declarations are the maximum amounts we pay for loss in a single occurrence under these coverages, regardless of the number of:
   a. persons covered under this policy;
   b. parties who sustain injury or damage; or
   c. claims made or suits brought.

Payment of a claim under the Medical Payments to Others coverage does not constitute an admission of liability under the Personal Liability coverage.

3. **Insurance Under More Than One Coverage**—If more than one coverage of this policy covers the same loss, we pay no more than the actual claim, loss or damage sustained.

4. **Insurance Under More Than One Policy**—Where property coverage is involved, if there is other collectible insurance that applies to the loss, we pay our share of the loss. Our share is that part of the loss that the amount of insurance stated in the policy bears to the total amount of insurance that applies to the loss. When a loss is also covered by the master policy of a condominium association, this insurance is excess. Where personal liability is involved, this insurance is excess over other valid and collectible insurance that applies to the loss or claim.

5. **Restoration of Limit of Liability**—Any loss we pay under this policy does not reduce the amount of insurance.

**PAYMENT OF LOSS OR CLAIM**

1. **Property Coverages**:
   a. **Your Property**—We will adjust all losses with you. A covered loss will be payable 45 days after an acceptable proof of loss is received and the amount of the loss has been established either by written agreement with you or the filing of an appraisal award with us. Payment will be made to you unless another loss payee is named in the policy.
   b. **Additional Expenses**—If the insured premises are made unfit for occupancy for more than one month, covered expenses will be paid on a monthly basis upon submission of reasonable proof of the insured's expenses.
